- Irukandjis State College Rugby League Academy

Silica Resources Australia

Silica Resources Australia is proud to be the Platinum Sponsor of the Irukandjis Open Boys and Open Girls (Year 11/12) Innisfail State College Rugby League Academy teams in 2026 and 2027.

The Rugby League Academy is a new initiative by Innisfail State College, aimed at providing students with opportunities to improve their rugby league ability and represent their school, town and community in competitions across the state. The academy aims to drive student attendance and engagement – using rugby league as a tool to create a positive connection between the young people in our community and Innisfail State College.
