

SILICA RESOURCES
A U S T R A L I A

Cassowary Coast Cricket Association players
Hiri Hiri, Andrew McFadden, Nosaina Pokana and Tony Ura
in their Silica Resources Australia team uniforms.

Community Connect

Silica Resources Australia is proud to be the naming rights sponsor to the Cassowary Coast Cricket Association first and second grade teams for the 2025-26 and 2026-27 seasons.

This season, the club has an exciting partnership with international cricketers from Papua New Guinea who featured in the T20 World Cup, who are playing for the club.

The Silica Resources Australia sponsorship is being used towards new playing kits, expenses associated with the international cricketers partnership and investment in the junior coaching program for up-and-coming young players.

Cassowary Coast Cricket Association is a not-for-profit community organisation run by volunteers who are all passionate about cricket in the region. The organisation is an association of clubs from Mission Beach, Innisfail and Tully and represent the region in the Cricket Far North competition.

Work for SRA

If you are interested in working or contracting to Silica Resources Australia, please send your CV or capability statement to Info@silicaresearch.com.au
