

SILICA RESOURCES
AUSTRALIA

Sarah Anderson and Dallas Terewaamu
from the Irukandjis State College Rugby League Academy

Congratulations Irukandjis Open Boys - State Champions!

Congratulations to the Innisfail State College Rugby League Academy Irukandjis Open Boys, winners in Division One at the QLD State Schools Cup!

Silica Resources Australia is proud to be the Platinum Sponsor of the Irukandjis Open Boys and Open Girls (Year 11/12) Innisfail State College Rugby League Academy teams in 2026 and 2027.

We can't wait to see what both teams do in 2027!

The Rugby League Academy provides students with opportunities to improve their rugby league ability and represent their school, town and community in competitions across the state. The academy aims to drive student attendance and engagement – using rugby league as a tool to create a positive connection between the young people in our community and Innisfail State College.
